TUFFSPORT | TRUE POWER COMES FROM THE INSIDE

OUR STORY

In 2010s

TUFF was one of the top online Muay Thai brands in the industry. With the success of Tony Jaa's movie "Ong Bak", the whole world suddenly loves Muay Thai, and hugely popular in gyms and fitness. In 2011, the TUFF camp was established in Lakki, Bangkok, close to the main office, focus to attract people who just want to learn Muay Thai.

Ovono Por Muang Ubon, the Muay Thai legend, was hired as a main trainer. The camp had bedrooms, training facilities, and fitness equipment where most Muay Thai camps are for the experienced fighter.

E-Commerce in Thailand was growing larger and the world-famous platform started a marketing campaign such as Google and Amazon. Mr. Oak was one of the first Thai entrepreneurs who join and use the platform. He was nominated as a presenter for Google Thailand.

He started to appear in many press and magazines. Then a Thai celebrity and TV talk show host "Woody" (Woody Mairachinda), his famous show were "Talks With Woody" which he interviews movie stars or a person on hot topics. Mr. Oak was interview by Woody on his show and use the TUFF camp as the show's location.

TUFF Sponsored fighters were introduced to the marketing campaign as the name "TUFF Warrior" to endorse TUFF products.

TUFF Warriors include the name such as Ramazan Ramaznov, Ali Ahli, Eduardo Maiorino, Joe Schilling, Zidov Akuma, and more.

TUFFSPORT | TRUE POWER COMES FROM THE INSIDE

OUR STORY

In 2011

There was a major flood in the Bangkok area. More than 12.8 million people were affected by the flood. The World Bank has estimated the damage as high as 1.44 billion baht.

TUFF also was no exception. Our staff had to carry the whole package of paid items on foot to meet the shipping agent's truck on the toll highway.

After the Bangkok flood ends, TUFF needed to bounce back. TUFF camp was moved to the 10th floor of Peter's Mansion, Ekkamai which is one of the hottest areas in the middle of Bangkok.

The whole floor was renovated and transformed into TUFF's theme Muay Thai gym with a swimming pool and fitness facilities.

Fighters, tourists, ex-pats, or even Thai people started to come to train at the camp. We also held seminars about MMA, Muay Thai, and invite some Muay Thai legends to hold a Muay Thai workshop.

We brought some of the fighters to fight at the legendary stadium like Rajadamnern, Lumpinee and also some small venues around Bangkok, Pattaya, and variety Muay Thai rings across Thailand.

TUFF also started a youtube channel named "TUFF Sport TV". The content was about Muay Thai tips, interview with Muay Thai fights and training methods.

TUFFSPORT | TRUE POWER COMES FROM THE INSIDE

OUR STORY

In 2012

TUFF also wanted to make a name in MMA scenes in Bangkok, DAJE, NAKSU, and amateur MMA fights were all sponsored for several programs and some MMA teams were supported with TUFF customized shorts and equipment.

In 2018

In 2018, TUFF is a member of The Federation of Thai Industries, Muay Thai & Sports Cluster. TUFF is one of the original and leader of the cluster.
